

PSC1-A-90-PROG-CABLE

- The programming cable is required for programming and diagnostics on the PSC1-C-10 and PSC1-C-100 control systems. The programming cable consists of an interface converter and two cables, see the delivery. The interface converter converts the USB signals of the PC into RS485 signals for the programming interface of the PSC1 basic modules.

Data

Ordering data

Product type description	PSC1-A-90-PROG-CABLE
Article number (order number)	103008480
EAN (European Article Number)	4030661454863

General data

Product name	Programming cable
Gross weight	250 g

Ambient conditions

Protection class	IP20
------------------	------

Scope of delivery

Included in delivery	Interface converter - USB connection cable, USB A-B type, for connecting the converter to the PC - Serial interface cable with 2x RJ10 connectors for connecting the converter to the module
----------------------	--
